Company History

- 1999 Fuse manufacturing plant in Dongguan establishment
- 2000 5x20mm fuse production line establishment
- 2001 3.6 x 10mm and 6x30mm fuse production line establishment
- 2002 2.4x7mm Pico II fuse production line establishment
- 2004 Achieve ISO9001 standard
- 2005 Achieved CCC certificate
- 2006 TR5/TE5 Micro fuse production establishment
- 2007 Produce fuseholder and fuseclip
- 2007 Produce automotive blade fuse
- 2008 Hunan ANDU factory establishment
- 2009 Achieved UL listed cetificated

SELLI

Quality Principle

- 1 Supply excellent quality, and deliver goods on time;
- 2 Improve constantly and satisfy customers;
- 3 Obeys the law and regulates, and prevent and control pollution;
- 4 Provide our customers with high quality products by continuous improvement in process, design, and production;
- 5 Open the quality policy, instruct and train to enhance the quality concepts of the staff;
- 6 Carry out the "5S" management, and make office and production trim and in order;
- 7 Use Quality improvement tools: 6 Sigma/SPC/PDCA/FMEA

SELLI

Products View

We has specialized in production of fuse for over 10 years, and it also introduces international advanced new production lines and professional technology. The company specializes in development, production and sale of all kinds of fuse with glass tube, ceramic tube, pigtail and single cap pigtail types and fuse holder and fuse clip, automotive fuse and automotive fuse holder and Microwave oven High Voltage fuse

And the monthly output of fuse exceeds 10,000,000 pieces.

What we can do

- u **2.4x7mm fuse**
- u **3.6x10mm tube fuse**
- u **5.2x20mm tube fuse**
- u **6.3x30mm tube fuse**
- u **10x38mm tube fuse**
- u **TR5/TE5 Microfuse**
- u **SMD fuse**
- u **5KV microware oven high voltage fuse**
- u **Automotive blade fuse**
- u **Fuse holder and fuse clip**

SELLI

Product Market

Overseas:

USA, Germany, Brazil,
Israel, Malaysia, Singapore,
Philippine, Iran, etc.

Domestic:

Shenzhen, Dongguan, Hong
Kong, Guangzhou, Beijing,
Zhongshan, Taiwan, etc.

SELLI

Product Application

- communicating production;
 - machine;
 - Vehicle;
- Light;
- Instruments;
 - Motors;
 - Household machine;
- Games; etc
